B. HEALTH: The Rhodes Academy cannot assume responsibility for any medical expenses incurred by an individual while attending the Academy. Therefore, applicants who are accepted to the Rhodes Academy may be asked to provide a health certificate or proof of health insurance coverage. *This is not a prerequisite for applying.* Applicants to the Rhodes Academy must accept full responsibility for their health and related expenses while in Greece. Masks may be required at the Rhodes Academy.

C. LANGUAGE REQUIREMENT: All courses at the Rhodes Academy will be taught in English. Therefore, applicants whose first language is not English should provide evidence of reasonable proficiency in English. Examples of evidence of proficiency in English include a passing TOEFL (Test of English as a Foreign Language) score, participation in similar academic programs, scholarly publications in English, a certificate of English from the individual's Embassy, or letters from persons familiar with the individual's abilities with English (optional if English is your first language).

E. LETTERS OF RECOMMENDATION: Your application must be supported by two brief letters of recommendation from individuals familiar with your qualifications. The letters may be sent together or individually. F. SCHOLARSHIP: If you are applying for a registration fee scholarship, or lodging scholarship, or travel grant, please provide a written statement of financial need on a separate sheet. You should note other sources of relevant financial support and any other evidence you feel would support your application. Our scholarships and travel grants are very limited and are based on academic merit and financial need. A number of partial scholarships are available for the 1) attendance fee and/or 2) lodging with half board (breakfast plus 1 meal/day), while in Greece. Students who receive lodging scholarships are expected to **share a room** with another student.
