

# OCEAN DISCOVERY DAY

Dive into Marine Science!

UNH Jere A. Chase  
Ocean Engineering Lab  
24 Colovos Road • Durham, NH  
Friday, October 4, 2024  
8:30 am – 2:00 pm

## BUS INSTRUCTIONS

The bus drop-off and pick-up location is in the parking lot directly in front of the Health Services Simulation Center located on 25 Colovos Road, Durham, NH. Buses are asked to pull all the way forward in the parking lot before letting students off the bus.

From Route 4 take Main Street to rotary. Take the second exit off rotary and continue onto Main Street. At next light take right onto College Road. Take right onto South Drive (past fire station and F lot). At next stop sign, proceed straight into Gregg Hall/Health Services Simulation Center Parking lot.

From downtown Durham, go east on Main Street to College Road. Take left onto College Road. Take right onto South Drive (past fire station and F Lot). At next stop sign, proceed straight into Gregg Hall/Health Services Simulation Center Parking lot.

- Buses can park in the Moiles Lot located on Mast Road. From the drop off location, proceed through the parking lot. At the stop sign go left onto Colovos Road. Take the next left onto Stadium Drive. Proceed behind the stadium. At the rotary take third exit onto Main Street. Take next right onto Mast Road. Moiles Lot will be on your right.
- Volunteers will be available at the drop off location to provide assistance as needed. Individuals with mobility concerns should email [marine.information@unh.edu](mailto:marine.information@unh.edu) or call (603) 862-2959.
